Paul Mitchell The School Dallas, Arlington & San Antonio

STATE BOARD EXAMINATION POLICY

The cost of the initial State Board written and practical examinations is included in the total tuition and fees. The school will cover the first attempt only for both the written and practical portions of the State Board examination.

If a student is required to retake either portion of the exam, any additional fees for subsequent attempts are the responsibility of the student. Students are encouraged to adequately prepare for both examinations to avoid additional testing costs.

All students must meet the eligibility requirements set forth by their respective state licensing agency in order to sit for the State Board examinations. These requirements may include, but are not limited to, age, education, documentation, training hours, moral character, and compliance with state laws and regulations. It is the student's responsibility to remain informed and compliant with the rules and regulations of the applicable state agency.

The school provides guidance and support in preparing for licensure; however, it does not guarantee a student's eligibility or approval by the state board. Requirements and approval processes vary by state and are subject to change without notice.
